

Truss cart for storage and transport

**ATRCT****ATRCTSP****ATRCT**

Base profile of transport cart with wheels.

Suitable for 29 and 30 truss series with any truss length.

Stackable until 1,5m~2m height, such as movement will keep safe.

ATRCTSP

Truss separator for transport set.

Two of this accessories are necessary between row trusses.

To fix the trusses it's necessary to use slings.
