

# MAX 3 BT

This new mixer belonging to the MAX series is ideal for small installations, thanks to its small size and versatility, since it integrates a USB interface which allows to be connected to an external device and work as a sound card. This new model incorporates a Bluetooth module, this being possible thanks to the MAX 3 BT connection with mobile devices such as smartphones or tablets and play MP3 files through the mixer. Thanks to its size and weight (only 480 grams) is ideal for conferences, mobile shows ...
